

GIFTS

For a couple of years, we've lived,
we have a toaster. A kettle and a stainless steel bin.
saucepans and towels, we have many.
corkscrews and flannels, we don't need any.
We just want you with us to celebrate our day. But
should you want to give and celebrate this way. What
we'd really like is a gift of money.
we hope you don't think we're being funny!
We'll put it all together and
buy something that's best.
as a reminder of our day
and our wonderful guests!
